Dear [redacted]

25X1

I have been advised by the front office that Admiral Hillenkoetter, our Director, will visit Reseda some time during the month of August. I do not know any of the details yet as to what the date is, how long he will spend with you, etc., but I thought you would like to have as much advance information as possible.

I am glad that he is going to visit our station, and I am sure that you will, as you always do, make a most favorable impression on him. I shall advise you further as soon as I know.

Sincerely,

L. K. White
